

# PHOTO SESSION

## *Pricing guide*

### PRODUCTION PHOTOGRAPHY

For productions up to 3 hours in length. Coverage includes professional photography of either one dress rehearsal or one performance, capturing full-stage wide shots and close-up portraits of individual performers. High-resolution images are delivered through a secure online proofing gallery, organized by scene or by pre- and post-intermission segments for easy viewing.

Images from both wide-stage and individual dancer coverage can be professionally retouched upon request for \$25 per image. Travel fees may apply.

### PRODUCTION USE ONLY

*\$650 + tax\**

Production use includes internal archives, official social media accounts, the production's website, and other organization-created materials for internal purposes, such as programs or newsletters. Photos should be credited "© Kailie Sanders Photography" in all uses. This license does not include marketing, promotional, commercial use, or personal use by performers or individuals, which can be arranged separately. Productions interested in marketing or commercial use may obtain a separate license for individual images or a an image-set, with pricing based on scope and duration; examples include social media campaigns, printed materials, press coverage, and large-scale advertising such as billboards. \*Discounts may apply for productions also requesting personal-use images for dancers.

### PERSONAL USE (DANCERS & INDIVIDUALS)

*\$35 per digital image or \$125 for full image set + tax*

The personal-use license applies only to images in which the dancer appears and includes permission for personal printing, posting on personal social media accounts, and a print release for personal use only. Pricing is per dancer, with families receiving a 10% discount on the full image set for each additional dancer.
