STUDENT AUDITION PHOTOS

\$400 + tax

up to 40 minutes, 3 final images

Audition photos are used for summer intensives, professional company auditions, and college dance program auditions. All shots will be taken against either a neutral backdrop in-studio or a wall of your dance studio on-location. Due to the integrity needed in dance audition photos, they may not be digitally manipulated. No alteration of pixels will be done to any part of a dancer's body or wardrobe on the full body shots. Images are delivered as a watermarked proofing gallery; unedited and for selection purposes only, not to be released or published. Includes 3 final images, 1 headshot, 1 arabesque (for ballet), and 1 tendu a la seconde (for ballet), delivered within 2-4 weeks from client's selection. Additional edits are \$50 each. Price is per-person, per-session. Images licensed for personal use only. Travel fees may apply.
