DANCE MINI-SESSIONS

Mini-Sessions are short-format photography sessions offered on select dates, scheduled collectively at a single location. These sessions are time-limited and provide fewer images than individual portrait sessions. Please note that Mini-Sessions cannot be booked as standalone sessions and can only be purchased when offered. Payment is due in full to secure your mini-session slot and bookings are non-refundable. Images are delivered as a watermarked proofing gallery; unedited and for selection purposes only, not to be released or published. Includes final images delivered within 2-4 weeks from client's selection. Additional edits are \$50 each. Price is per-person, per-session. Images licensed for personal use only.
